## Dr. Bryan Thatcher

*Divine Mercy as a Way of Life*

Saturday, February 6, 2010

In 1996 Dr. Bryan Thatcher founded Eucharistic Apostles of the Divine Mercy (EADM), now an official apostolate of the Congregation of Marians of the Immaculate Conception. EADM is now active in thirty-four countries worldwide, and received three special Apostolic Blessings from the late Holy Father, Pope John Paul II, for its work. Dr. Thatcher has traveled across the United States, as well as to Cuba, South America, many countries in Africa, Europe, India, Philippines, Malaysia, Singapore, and the Samoan Islands to speak on God's mercy and the great gift of the Eucharist. He co-hosted a series, "Cenacle of The Divine Mercy," that airs on EWTN. He is the author of several books on Divine Mercy and the Eucharist. The ministry of Eucharistic Apostles promotes the notion that Divine Mercy is more than a message or devotion, rather, it is a "Way of Life."

Dr. Thatcher will present "Divine Mercy as a Way of Life"

The talk "Divine Mercy as a Way of Life" will provide a brief overview on the devotional aspects of the message of Divine Mercy, but emphasize that this is a message to be lived! The need for forgiveness, trust, and mercy and the role of suffering will be discussed, and the speaker will give personal witness on Divine Mercy in his life.
